HIGH SCHOOL BOARD EXAMINES LONG LIST OF APPLICATIONS

A meeting of the board of trustees of the Sequoia Union High School was held in the office of the high school on Thursday afternoon, there being present Chairman L. P. Behrens, and Clerk of the board D. E. O'Keefe, and trustees Edward C. Greely, T. O. Heydenfeldt and W. A. Bennett.

The seventy-eight applications for the principalship were carefully investigated and after due deliberation A. C. Argo of Stanford University was chosen to fill the vacancy. Miss Mildred Proctor, a teacher in the King City high school, was selected as the domestic science teacher to take the place of Miss Wren, who has resigned.

Miss Proctor is a graduate of Pratt's University, a well known eastern university that specializes in graduating domestic science teachers. Of the old faculty the following were retained for the coming semester: Professor Gill, Otis M. Carrington, B. E. Meyers, Miss Boyle, Miss Neff and Miss Kelly. There are other teachers to be elected among them a new one to be added to the faculty.

The board took up and fully discussed the matter of the bond issue to raise about \$200,000 to build the proposed new high school building on the new site purchased last year in Redwood Highlands known as the Pessis property which will come in to the possession of the district next month when the last installment of the purchase price will be paid.

Steps were taken to start the preliminary work at once. The election is to be called at an early date. It will take that sum to erect a building in keeping with the beautiful grounds and also to provide for the future of this locality.

CONGRESSMAN FREE FAVORS CITIZENS' MILITARY TRAINING CAMPS

Congressman Arthur M. Free of this District is vitally interested in the Citizens' Military Training Camps which will be conducted throughout the country this summer by the war department. A number of young men of the District will have the opportunity to attend the camps and application blanks may be secured by writing to Congressman Free.

The establishment of the camps is a part of the broad scheme of national defense which aims to build up the organized reserves. The camps are authorized by Section 474 of the National Defense Act.

Plans are now being formulated which contemplate a month of training for 10,000 citizens between the ages of 16 and 35 years without expense to them. These citizens will be drawn from all parts of the country. Quotas in proportion are being allotted to each state and to each community within that state. This will assure a representative body of citizens being assembled at these camps for training. The War Department is most anxious that the men who take this training be thoroughly representative not only of all parts of the country but of all classes. For this reason the qualifications demand simple average intelligence and physical ability to take the course prescribed.

The procurement of candidates is in the hands of the Commanding Generals of the nine Corps Areas created by the Army Reorganization Act of June 4, 1920, and applications are referred to the proper Corps Area Headquarters for action.

Congressman Free will be glad to furnish any further information concerning the camps to the young men of his District who are interested.

The building of the Dumbarton bridge which is now being assisted by the people of the peninsula will be discussed at length. The matter of having the Southern Pacific Company electrify its tracks down the peninsula is another matter that is to be talked of. The Tri-Cities Chamber of Commerce are endeavoring to bring this about and want the co-operation of all civic bodies and Chamber of Commerce to assist them.

Come and lend your aid and advice in these all-important questions which are vital to the best interests of the peninsula. The Redwood City Chamber of Commerce should be a potent factor in these matters. Be on hand early and listen to the discussions.

J. W. SOLEN ASSISTANT CASHIER OF BANK OF CAL.

J. W. Solen, a former Redwood City young man whose boyhood was spent here and who comes from a San Mateo County pioneer family, was honored recently by being made assistant cashier of the Bank of California, San Francisco. Almost seventeen years ago he entered the institution as an ordinary clerk and by constant attention to duty and due diligence arose from one position after another until he was made assistant cashier when a vacancy occurred in that institution a short time ago.

He was appointed to the place over the heads of several older employees of the bank.

Mr. Solen graduated with honors from St. Mary's College some time before he entered the institution. Mr. Solen was born near Menlo Park but spent his boyhood in Redwood City where he attended the grammar school. He is a grandson of the late Mrs. J. Monahan whose husband was supervisor of this township many years ago and a nephew of Mrs. E. F. Fitzpatrick of this city. His mother passed away two years ago.

Mr. Solen is a young man of fine ability, splendid character and who has arisen to his present position through sheer hard work and attention to duty. Redwood City may well feel proud of her former resident. He has reflected credit upon his former home by the purity of his life and success of his career in San Francisco.

Mr. C. K. McIntosh of Woodside is the vice-president of the bank which institution is one of the most prominent in the state of California. It was organized by the late William Halston.

Mr. Solen, since the death of his mother has lived at the Olympic Club, who died at San Carlos on May 12.

NEW YORK NEWS PRINTS PICTURE OF SENATOR SHORTRIDGE

The New York Daily News of May 23 contains a picture showing Senator Samuel M. Shortridge, Secretary of Labor Davis and J. C. Jenkins of the United States Shipping Board in conference over the strike of the marine engineers. Mr. Shortridge in his familiar attitude is seen laying down the law to his hearers.

ADDITIONAL MENLO ITEMS

Edward H. Hamilton, the political writer for the Examiner, in an article on Thursday predicts that Supreme Judge Warren Olney may resign and that Charles A. Shurtliff, State Bar Examiner may step into the vacancy. Mr. Shurtliff lives in Menlo Park, having a beautiful home in the Coleman tract. He has a brilliant legal mind and has practiced his profession in San Francisco for many years and is the leader of the bar there. He would be just the man for the contemplated vacancy. Menlo Park has in the past produced Senators, Congressmen, Governors and cabinet officers but it has not yet supplied a supreme judge. Therefore it is hoped that should a vacancy occur Mr. Shurtliff will be appointed to the place so that Menlo Park may add to her long list of noted officials that of supreme judge.

REDWOOD CITY CHORAL SOCIETY CONCERT

On Friday evening, June 10th at 8:15 p. m., at the Woman's Club House, the Redwood City Choral Society will close its musical labors for this season by offering for public approval some of the great choral masterpieces. Special assisting artists have also been secured for the occasion.

Under the able directorship of Henry L. Perry the Society has been studying several beautiful numbers by Tschalkovsky and Rackmanninoff and such numbers as "Land Sighting," "Cowan's Bride Chorus," "Arcadelt's 'Ave Maria,'" "Praetorius 'Lo How a Rose,'" William Armes Fisher's arrangement of that wonderful old negro chorus, "Deep River," Dr. Humphrey J. Stewart's "Adieu to Singers" and many others of equally good quality.

The members of the Society have worked hard and patiently to gratify their own aesthetic instincts for the best in choral music and have succeeded in making good music. They feel that they can give a better concert than the Choral Art Association of San Francisco (which is also directed by Mr. Henry L. Perry) which was highly praised by the eminent music critic Redfern Mason in his article in the Examiner of Tuesday, May 24, 1921.

The choral is a non profit organization, but for the purpose of paying incidental expenses and providing for the purchase of necessary new music for next season will make an education charge of fifty cents.

A. C. ARGO CHOSEN PRINCIPAL OF SEQUOIA HIGH SCHOOL

A. C. Argo, the new principal of Sequoia Union High School selected by the high school board on Thursday afternoon, last, comes to Redwood City with the highest recommendation from the places at which he has taught and from the professors of Stanford University, where he is studying for his master's degree.

A. C. ARGO

Mr. Argo was born in Spokane, Washington, 32 years ago, is married and is the father of three pretty children. Though young he has a vast experience along educational lines.

Mr. Argo is a graduate of the University of Washington and will receive his master's degree from Stanford in education during the summer quarter. His experience as a teacher is as follows:

Language teacher and athletic coach, Newberg high school, Oregon. Science teacher and athletic coach, Corvallis high school, Oregon. Mathematics teacher and athletic coach, Wenatchee high school, Washington. High school principal, Clarkston, Washington. Grade school principal, Spokane, Washington. Superintendent of schools, Pasco, Washington. Representative of the Silver, Burdett and Co., school text books.

The following recommendation from Lewis M. Terman, professor of education of Stanford University, is one that anyone may feel proud of:

"Mr. Clarence Argo, one of our graduate students, tells me he is an applicant for the principalship of your high school.

"I want to recommend Mr. Argo as an ideal man for the position. Besides experience, maturity and good training, he has all the personal qualities of leadership, tact, and judgment which are so essential in dealing wisely with boys and girls of high school age. He will enter into the life of the community and will be liked by all classes of people. You can not make a mistake in electing him."

WOODSIDE NOTES

Ye Little Olde Folks Concert last Saturday eve, was a great success. The hall was filled with an audience that were more than pleased with the performance of the children. Their costumes were unique and in the Colonial style were a decided novelty in these days of modern dress. The songs and recitations were given with credit to those who took part and showed the effect of careful training by those who gave it. The hall was most beautifully decorated with wild flowers and the branches of trees of different sorts, giving the effect of a bower of green to the whole stage. The net receipts from the entertainment will be in the neighborhood of eighty dollars which is a fine start to the amount needed to buy a good bell. Some of the Woodside people say it is the best entertainment ever given in the town. Certainly it was an occasion to give pleasure to all and will long be remembered by those who took part in it.

BOARD OF SUPERVISORS WILL AWARD HOSPITAL CONTRACT

At a meeting of the board of supervisors on Monday next, the matter of awarding the contract for the new county hospital will come up. A large delegation from different parts of the county are to be present to oppose the letting of the contract.

The taxpayers believe that the institution is not needed and should not be erected at this time. Should the supervisors attempt to let the contract the board is to be enjoined. The people of the coastside are opposed to it as well as the Chamber of Commerce of San Mateo, Burlingame and South San Francisco. It is a safe bet that the hospital will not be erected this year.

BURGILARS ENTER MARCUS' DRY GOODS STORE SATURDAY

Saturday morning the Marcus Arcade on Broadway was broken into by burglars and goods valued at about \$850 were removed.

The culprits left no clue and notwithstanding the efforts of the police not the slightest trace of the burglars can be found.

Deputy Sheriff W. H. Lampkin has sent finger prints to the bureau of identification at Sacramento and to the federal prison at Leavenworth.

The entrance to the store was gained through a rear door. The thieves showed a weakness for silks, as practically everything taken was of the more expensive fabric and included ten silk petticoats, twenty-three silk waists, thirty-six boxes of ladies' silk hosiery, eight dozen men's silk ties, ladies skirts and underwear. Owing to the large amount of stock taken and the systematic manner in which the selections were made, the police believe the burglars must have worked in the store for at least an hour. Two suit cases and a large hand bag stolen with the other loot, were used by the thieves to carry off their stolen treasure. About \$20 in small change was taken from the cash register.

GREAT WESTERN POWER CO. FILES LENGTHY PAPER

On Wednesday there was filed in the office of County Recorder T. C. Rice, a large document containing many hundred pages of typewritten matter by the Great Western Power Company. The company gives a mortgage on all its property in the State of California to the Equitable Trust Company of New York and the Anglo-California Trust Company for a loan of \$5,000,000.

The Great Western Power Company is authorized to issue \$5,000,000 convertible eight per cent gold bonds that will be placed on the market for sale at once. The company furnishes power and electric current to the Halfmoon Bay and other coast side towns. Mr. Rice's charges for recording the document was \$49.60.

ELISE BOWERS BRINGS SUIT AGAINST HUSBAND

Elise Bowers has brought an action in the superior court for an interlocutory decree of divorce against her husband, William F. Bower. The couple were married in San Francisco on February 17, 1915. They have no children and the community property consists of a partnership interest in an automobile garage at San Mateo. Extreme cruelty is the ground on which the action is brought.

A FRIENDLY SETTLEMENT

It is rumored about Washington
that the claims of the Norwegian
government against the Shipping
Board may be settled by turning over
to Norway 80 of the wooden ships
now lying out of commission in the
river near Norfolk. It will be re-
called that when the United States
entered the war certain vessels build-
ing for Norway in American yards
were commandeered by this country,
the price paid for them not taking
into consideration their appreciated
value because of war conditions. Nor-
way has insisted upon the payment of
the difference, and the question has
been in process of friendly arbitra-
tion. It is understood that a Nor-
wegian shipowner now in this coun-
try has visited the wooden vessels at
Norfolk, and was highly pleased with
their possibilities. Inasmuch as they
do not fit into our permanent mer-
chant marine fleet of large steel
steamers, it is distinctly to the ad-
vantage of the United States to dis-
pose of them in the manner sug-
gested.

HANGING JUDGE LYNCH

Congressman Martin B. Madden of
Illinois predicts that an anti-lynch-
ing law will be enacted by Congress
before the present session adjourns.
He has constantly borne in mind that
the Republican National Platform
contains a provision reading as fol-
lows: "We urge Congress to con-
sider the most effective means to end
lynching in this country, which con-
tinues to be a terrible blot on our
American civilization." Mr. Madden
has done everything he properly can
to expedite legislation of that char-
acter, and has spoken on numerous
occasions in favor of it. "In a demo-

cracy such as this," said he recently
to a Washington audience, "all citi-
zens must be treated on a basis of
exact equality. Laws must be made
impartially and executed without dis-
crimination for any reason. The
colored people should have an equal
opportunity with the whites in the
race for life."

SPEEDY WORK

For several weeks the elevator in
the Washington Monument has been
out of commission, and visitors have
been denied the privilege of riding
to the top and viewing the city from
that vantage point. President Hard-
ing learned of the state of affairs and
was informed that no money would be
available to pay for needed re-
pairs to the elevator until July 1,
the beginning of the next fiscal year.
The President immediately addressed
a letter to the appropriations com-
mittees of Congress calling attention
to the matter, and suggesting that
the needed sum be provided. On the
day the letter was received, the House
passed a resolution appropriating
\$2,400, for the purpose, and before
nightfall the Senate had recorded
its endorsement of it. Probably
never before has Congress passed
legislation through both Houses on
the same day the President requested
it.

THAT BRIDGE ACROSS THE BAY

Before the big bridge is construct-
ed across the bay from San Fran-
cisco to Oakland we will be old and
gray. It is not feasible, then, too,
the enormous cost of building is be-
yond the reach of the people of San
Francisco and Oakland. The people
of the peninsula should concentrate
their energies toward constructing
the proposed bridge across the bay
at Dumbarton where the span is short
and where the bridge could be built
at a nominal cost. The construction
of this bridge would do more for the
peninsula than any other agency. It
would bring the San Joaquin travel
this way to the city over good roads
for which San Mateo county is fam-
ous. Let us all pull and boost for
the Dumbarton bridge. Its benefits
will be tenfold.

HARVEY SPEECH O. K.'D

Republican leaders in both Senate
and House are loud in their praises
of the speech of Ambassador Harvey
in London. They declare he gave
plain expression to the policies of
President Harding, leaving no ground
for conjecture as to the future of
American international relations.
They seen in his remarks a clearing
of the foreign atmosphere of false
impressions and mistaken hopes that
America is to make further sacrifices
for Europe. Senator Harry S. New
of Indiana voiced the sentiment of
his colleagues when he said, "There
isn't anything in the Harvey speech
that reflects anything new. Every
body who has been willing to accept
a fact has known for months, if he
can understand English, that the
United States cannot be driven or
cajoled into membership in the
league of nations."

GRAND SESSION KNIGHTS OF PYTHIAS AT SANTA ROSA

Past Chancellor Jno. E. Cowgill
who has just returned from the Grand
Session of the Knights of Pythias
which was in convention at Santa
Rosa at last week reports a most
interesting, harmonious and profit-
able annual meeting of this splendid
American and non-sectarian fraternal
organization which has played
such a conspicuous part since it
was first organized in 1864 through
the reconstruction period following
the Civil War and down to the pres-
ent time in fostering and helping
to maintain the American ideals of true
democracy.

One of the first resolutions pre-
sented at the session just closed was
that of wiring President Warren G.
Harding, expressing their sympathy
in and assuring him of their fealty
and united support in helping to
solve the big problems that confront
him and the nation and that of help-
ing to bring an honored peace to the
world. President Harding is a mem-
ber of the order. Cowgill had many
inquiries from old and new friends
of the fraternity who have attended
practically every annual meeting of
the order for the last thirty or forty
years respecting the old-timers who
had represented Redwood Lodge,
No. 82, so conspicuously in years
gone by, such as P. P. Chamberlain,
county treasurer, who was a char-
ter member of Redwood Lodge when it
was instituted back in the '80's.
Many also inquired after Merton
J. Knox, the Redwood Drygoods mer-
chant, who is one of the Past Grand
Chancellors of the state and who
was unable to attend the convention
owing to sickness among his em-
ployees and shortage of help. Many
notables such as Federal Judge
Blodgett of Los Angeles and Supreme
Judge Hart of Sacramento as well as
many legal lights were conspicuous
figures at the convention. Both of
these gentlemen were two of the
four supreme representatives from the
California domain at the Supreme
Lodge Convention at Minneapolis
last year at the same time J. E.
Cowgill was in Minneapolis repre-
senting the small postmasters of
California at the national conven-
tion. As is the usual custom the
following officers were elected with-
out opposition:
J. Stanley Brown of Imperial was
advanced from Grand Vice-Chancel-
lor to Grand Chancellor, succeeding
Dr. Gates of Oroville; Attorney Jesse
W. Carter of Redding from Grand
Prelate to Grand Vice-Chancellor;
Herman Schaefer of San Francisco
succeeded himself as Grand Keeper
of Record and Seal, which office he
has held for the past thirty-five years
and Jas. R. Sloane succeeded himself
as Grand Master of Exchequer, the
position which he has held for many
years. The greater interest centered
in the fight for Grand Prelate from
which office the incumbent usually
advances to the higher offices with-

out opposition. There were many
candidates in the field for the office
but the coveted plum was won by
Dr. O. E. Jackson of Petaluma on
the third ballot after "Dynamite"
Davis of Richmond the next highest
candidate withdrew from the race.
Another of the hot fights of the con-
vention was in the contest for the
convention city for 1922. Santa
Cruz against Chico, Chico winning
by a small margin of six votes out
of 447 cast.

The Grand Lodge voted ample
funds to defray the expense for en-
tertaining the representatives of the
supreme lodge, who will come from
every section of the United States
and Canada, to attend the supreme
lodge convention which will convene
in San Francisco in 1922. As will be
the representatives of the Dramatic
Order, Knights of Korassan, the Uni-
form Rank and the Pythian Sisters,
auxiliaries of the order. The report
of the Grand Keeper of Records and
Seal shows 214 lodges in the state
with a net membership of 28,108.
The membership consisting of 37 past
grand chancellors, 4,121 past chan-
cellors, 22,257,222 equires and 423
pages. The financial statement sub-
mitted was as follows: \$703,170.80
on hand January 1st, 1920. Re-
ceipts from all sources \$419,554.24,
total \$1,122,725.04. Disbursements
\$368,139.67. Gain in balance \$51,
314.57. The subordinate lodges have
2098,582.15 on hand, \$489,845.53
invested, \$67,003.88 in realty, \$707,
091.56 available resources, \$41,496.-
67 paraphernalia. Total assets \$748,
588.23.

The convention was addressed by
Past Grand Chancellor F. M. Blom-
quist of the grand domain of Brit-
ish Columbia, and also Walter N.
Gleason, Grand Keeper of Records
and Seal of the grand domain of Ore-
gon. Mr. Gleason is a strong and
enthusiastic supporter of the propo-
sition and plan to purchase a suitable
site in California on which to erect
ample buildings for a Pythian Home
for incapacitated Pythian veterans
and the orphans and widows of de-
ceased members. Same to be owned
jointly by the several grand domains
in the ten western states adjoining
and on the Pacific coast. A com-
mittee was appointed to investigate
adequate and available sites and to
report at the next grand session to
be held in Chico next year.

Owing to his personal popularity
as chairman of the reception com-
mittee and as a compliment to the
lodges of Sonoma county, Attorney
Wm. N. Vallandigham of the Santa
Rosa lodge was elected one of the
grand trustees of the order, receiv-
ing double the vote of any other can-
didate running for the three vacan-
cies and being the only candidate
who won out on the first ballot.
Superior Judge Emmet Sewall of
Sonoma county appeared before the
convention and delivered an eloquent
address in eulogy of the life and
character of the martyred sheriff,
James A. Petray, of Sonoma county
who fell at the hands of an assassin
during the discharge of his official
duties. Mr. Petray was a prominent
member of the Knights of Pythias
and it was largely through his ef-
forts and influence at Yosemite last
year that this year's convention was
brought to the City of Roses to which
he was so much attached.

With the 450 delegates of the
main organization and members of
their families and the representa-
tives of the uniform rank of the
adies auxiliary and the dramatic
branch of the order, almost 1000
guests in all the little City of Roses
was taxed to the limit in finding
housing room for their guests, the
hotels being inadequate to accommo-
date them all, but the hospitable
homes of the little city was thrown
open to the visitors until all were
accommodated, and every one join-
ed in helping to make the visit of
every delegate a pleasant and deli-
cious one. And the official board of the
town gave the visitors a fond fare-
well and an invitation for a return
visit.

MENLO PARK NEWS OF ALL SORTS

The Menlo Park baseball team again met defeat last Sunday on the Mayfield diamond when the Mayfield nine made a score of three to nothing. The local team played great ball but failed to wallopp the sphere at the proper time. The Menlo nine will play the American Legion team on the community center tomorrow afternoon beginning at 1:30 o'clock. The standing of the teams in the series are as follows:

	W	L	T

A volunteer army of workers from various sections of the peninsula will engage in clearing the grass from the walks of Holy Cross cemetery this afternoon. The graveyard is overgrown with weeds and tall grass which gives it an abandoned appearance. As many as possible should participate in this laudable work of giving the burial place of the dead a respectable appearance. Every one is urged to give their time this afternoon to the good cause. If you do not go yourself send someone. Fifty men could do much in putting the place in a condition so that it would be a credit to those having relatives buried there. Do not abandon the dead. Remember that they were our loved ones while on earth, do not forget them now that they are gone. Come and help make their last resting place beautiful just like you would like to have it were you buried there. You would not like your friends on earth to forget you so be on hand this afternoon and join the army of workers in the noble cause.

PUBLIC DEFENDERS BILL SIGNED BY THE GOVERNOR

The Public Defenders bill passed by the recent legislature was signed by the governor during the week and already wires are being laid by many attorneys throughout the state to secure appointments. This county is entitled under the law to a public defender, though his services are not needed, to defend criminals who have no money to pay attorneys to defend their cause in court. The salary for this county will be \$1800 a year. Heretofore Judge Buck appointed members of the local bar to defend these criminals without compensation. Young lawyers were always glad to secure the business for the practice it gave them. No doubt there will be a scramble for the position in this county.
